

How do I register with the Board of Pharmacy to issue a written certification for a patient to possess CBD or THC-A oil?

To register with the Board of Pharmacy you will need to apply as a "Registered Physician for CBD/THC-A Oil" using the online application system.

1. Go to <https://www.license.dhp.virginia.gov/apply/> and login. You may use the same credentials you use to maintain you MD or DO license. You may need to register as a new person if you've never created an account with the Board of Medicine. Note: Only physicians that have a current active medical license from the Virginia Board of Medicine may apply for registration with the Board of Pharmacy.
2. Once you've logged in you should see the Welcome screen. Select *Initial Application* from the left menu.
3. On the Application for Licensure screen:
 - Select *Pharmacy* from the *Profession* dropdown.
 - Select *Registered Physician For CBD/THC-A Oil* from the *License Type* dropdown
 - Select *Initial Application* from the *Obtained By* dropdown

Click the Start Application button.
